Project Description:

Simeon provides a home, care and companionship to 17 elderly frail people. We live together as a loving, caring family and help to make the last years of life rich, joyful and rewarding, both for those of us who care and those of us who are cared for.

Ours is a unique model of old age care. We are part of the Camphill movement and the first care home of its kind in the world. Our wish is that others are inspired by our approach to create homes for ageing people that bring peace, happiness and fulfillment.

Work: About 44 hours/week in flexible shifts. Two days off per week. You live and work in the community providing personal care and support to elderly residents, sharing all activities of daily living, joining in the care and upkeep of the houses and gardens.

Requirements: Some previous experience of care or social work with vulnerable people is desirable, but not essential as we will provide training and guidance. It is essential to have a good grasp of the English language. You should be willing to learn and accept instruction and be ready to share your gifts and talents. We

are looking for people with a compassionate and caring nature, with a desire to help in practical everyday tasks that will make people feel comfortable.

Food: We normally eat together, family style, for three meals a day with the residents. The main midday meal is prepared by our cook. During your time off foods (including snacks and ingredients from the larder) is available.

Accommodation: You will have your own furnished room and shared bathroom facilities.

Pocket money: 160 GBP per month

Insurance: VOLUNTEERS MUST HAVE APPROPRIATE HEALTH INSURANCE, ARRANGED EITHER THROUGH THE SCI SENDING ORGANISATION OR INDEPENDENTLY. PROOF IS REQUIRED: WITHOUT THIS VOLUNTEERS WILL NOT BE ACCEPTED. Separate travel insurance will be also required.

Fees: None

Visa: IVS will issue a certificate of sponsorship for anyone living outside the EEU and who requires an entry visa. Simeon is registered with UK Border Agency and is able to issue certificates of sponsorship.

Others: There are opportunities to meet and do things with the volunteers living and working in nearby Camphill centres.

Simeon trains all volunteers using a nationally recognised Induction in Social Care programme within the the first three months of joining Simeon. This includes training in first aid, manual handling, infection control, food safety, and fire safety. We offer foundation talks on Camphill and Anthroposophy and related subjects. A special application form is needed for this project.
