### **Project Description:**

New Hope Waves is a local non-profit organization working among children, youth and families based in Livingstone, Zambia. We are using education, sports and charity work to realize the vision of making an impact that will change and decrease the struggles in our vulnerable community around Livingstone. We are running a School that provides affordable education to vulnerable children from families that cannot afford to pay school fees in both government and private schools so we have children from most vulnerable communities mainly Ngwenya, Namatama, Zecco, Highlands and Maramba.

**Notice:** *This is an Africa WG project. Please contact the SCI branch or partner organisation in your country for further information.*

**Work:** The volunteer will work with the children and young people from the ages of 10-25 years old about 50 boys participating in soccer for our vulnerable communities to keep the boys and yet to engage girls to stay away from drugs, illicit sex and other vices affecting our people. The volunteer will coach the boys in basic football skills, still willing to introduce other sports depending on the sport equipment available so the volunteers should not be a professional coach

but to assist the local coaches etc. The volunteer can also assist in the administration of the sports program to organize activities locally and internationally to create partnerships with other sports organizations, individual and families that can collect some old but usable sports equipment such as balls, jerseys/uniforms, boots/cleats as well as other fundraising to make the team make the football fixtures and travels, referees fees so forth so open minded to new ideas to better our programs.

**Requirements:** Able to adapt to the local culture. We hope that you are flexible, kind and have experience with working with children and young people before.

The volunteer should be prepared with skills that will make our program more creative and engage the young people to address their own challenges through sport and education.

**Food:** You will cook your own food at the volunteer house.

**Accommodation:** Volunteer house with shared bedrooms with bunk beds, a bathroom and a shared kitchen with utensils such as plates, pots and stoves, and a basic living room with plastic chairs, no TV.

**Pocket money:** None

**Insurance:** Volunteer is in charge of his/her insurance.

**Fees:** 150 USD per month. Accommodation and local organization support during the project. Pick up from the airport in Livingstone will be an extra 15USD.

**Visa:** –

**Others:** The training for soccer/football is from 3:30 pm upto 5:30 pm from Monday to Friday then weekend are for the games (Saturday or Sunday) depend on the team that we are playing.

This project can be combined with another project (teaching or administrative work).
