Project Description:

We provide residential care for 45 residents and up to 35 day attenders with a wide range of special needs, Care therapy and creative activities are integrated. Relationships and social interaction, based on mutual care and respect, promote health development and resilience along with physical and emotional wellbeing. Our residents live in 7 house communities. Each house accommodates either 6 or 7 residents, house co coordinator, support staff and 2 volunteers support residents within the house.

Work: The main responsibilities for volunteers is to offer support and encouragement to our residents within the house with household tasks and encouragement to participate in meaningful activities within our daily creative activities to enable them to reach their full potential. As a new volunteer coworker you will be given a full induction into life in our community, the house you will join and to the activities you participate in. You will have a mentor who will help you to establish successful relationships and understand what expectations to have for the individual and how to develop each persons potential. You will be joining a vibrant, rural community which remains relevant, where everyone is valued and

respected and has the opportunity to reach their full potential.

Requirements: We would be interested in someone who is interested in enabling people reach their full potential, ideally interested in social care and support. Who is willing to learn and be part of a team, is flexible and able to adapt to different situations. Able to communicate in English

Food: All food is provided. There is a volunteer social room and kitchen where you can prepare and cook a meal for yourself on days off

Accommodation: We provide all living accommodation and full board either within one of our family homes or in a room within the Scottish Castle which is central to our community. Our rooms are single or large shared rooms. All bathrooms are shared

Pocket money: 50 GBP per week

Insurance: Only applicable for people living outside the CTA, as part of your Tier 5 visa you will also need to pay a health surcharge if you are staying for more than 6 months- usually GBP400. If you are staying for less than 6 months, there is usually no cost.

Fees: None

Visa: If you are from outside the CTA you will need to pay for your Tier 5 visa - GBP244. IVS will apply for this for you if you are successful at interview.
