### **Project Description:**

Sustainable Rural Community Development is a local Non-Governmental Organisation creating opportunities for lasting improvement in peoples lives. In Malawi we work in Blantyre, Nsanje and Chikwawa in collaboration with the District Councils and communities to implement development interventions reaching over the rural people. Over the past years we have gained significant experience across a range of areas including agriculture; climate change and disaster risk management, economic empowerment and Nutrition, Gender and Human Rights.

***Notice:** This is an Africa WG project. Please contact the SCI branch or partner organisation in your country for further information.*

**Work:** Over 12 years that SURCOD has been in existence, it has mapped out long-term prospects to raise funds and resources to ensure its continuous existence in bringing education and opportunities to the vulnerable and marginalised in society.
